Re: APSA Insurance Coverage

APSA has renewed the insurance policy that we share with Ice Skating Australia for 2014. This policy meets our needs as coaches. It is a Sports Cover Australia Policy underwritten by Lloyd's.

Coaches are insured under the three following categories (subject to policy limitations and exclusions):

- Accident and Injury / Public Liability - Up to \$10,000,000 in any one claim and in the aggregate;
- Products Liability - Up to \$10,000,000 in any one claim; and
- Professional Indemnity - Up to \$5,000,000 in any one claim and in the aggregate

Coaches are reminded to minimise the risk of accident and injury to themselves and others, by following the guidelines advised in your accreditation course. Coaches involved in any incident during their coaching should keep detailed records.

Coaches are reminded to seek out their own comprehensive travel insurance whilst coaching overseas or attending competitions.

Loss of income protection under Accident/Injury insurance is minimal under the policy. Coaches are recommended to take out their own income protection insurance as per their individual needs.

Any further information required in regards to insurance coverage can be addressed to Brad Santer the insurance officer for APSA.
