Re: APSA Inc. Update Points Policy

APSA is please to announce the review of the Update Points Policy. It is available to read on the APSA website under the 'COACH INFORMATION' tab and then 'UPDATE POINTS PROGRAM'

The following changes have been implemented to the policy:

1. **All points for all levels will be required 'per calendar year'**

The change is the removal of the 2 - year period and the 'carry over' option.

However we have added a clause that the Update Recorder may carry over points earned in excess of the required total for individual coaches from one calendar year to another in extenuating circumstances.

2. **Points must be gained by more than one "activity type"**

We have sorted activities into 3 categories - Figure Skating Accreditation / Skating Related Activities / Non-Skating related activities.

3. **Level 3 coaches to go to 20 points instead of 15**

This means: Level 0 - 5 / Level 1 - 10 / Level 2 - 15 / Level 3 - 20.

4. All other changes were in the cleaning up of the list of activities and the whole document being reader friendly.
