Information

If you previously commenced the Level 1 course and did not complete it you may apply to complete the new Development Coach course via this application form.

The APSA committee has approved an extended grace period until the 31st December 2021. Previously participants who did not complete the course within a 12 month period were required to enrol in a new course and pay the full course fees. There will be no further extensions past this approved date.

To complete the course you must fill in this application form and send it to the APSA Accreditation Officer: accreditation@apsa.net.au for approval. Once approved you will be required to pay a fee to complete the course, complete all required worksheets and assignments via the google classroom and undertake a practical assessment for each discipline you are seeking accreditation in.

Additional mentoring hours with an APSA approved Mentor must be completed for each discipline you are seeking accreditation in. The approved Mentor list can be found on the APSA website.
