1 Purpose of the Communication

To keep the sport advised with respect to the ongoing Covid-19 pandemic and the possibility of continued restrictions to skaters this season.

2 Application of the Communication

This communication is to all skaters, Member State bodies, officials and coaches.

As a result of the ongoing Covid-19 pandemic and the uncertainty around the unknown timing of the opening of borders and quarantine restrictions, ISA would like to advise all skaters and coaches to be aware that they need to be careful when booking airfares and accommodation for Interstate competitions.

ISA advises that they will take no responsibility or any loss of funds due to border closures, quarantine requirements or flight cancellations.

3 Online Competition

ISA is continuing with the strategy of online Benchmark events to enable skaters to achieve a Benchmark score and a National ranking.
